

Course Outline

Intuitive Healing Level 2 is a continuation of Intuitive Healing Level 1. The content for the course follows the same format as Level 1:

- Four audio lessons with suggested home practices followed by a practical workshop and Usui Reiki level 2 attunements.
- Video updates 'from the vault' (from previous rounds of IH 2) that explore different ideas and questions
- Inclusion in a 'secret' IH 2 Group where additional content is shared and new videos updated in response to thread discussions
- A 2-day attunement workshop in traditional USUI Reiki practices

Upon accomplishing the requirements of Level 2, you will be able to offer Intuitive Healing to clients. Intuitive Healing Level 3 Master Training will be offered in 2021 and can only be attained after you have established your offering and gained real experience in intuitively healing others. At least a 6-12 month integration period and active service is required.

If you are already attuned to Reiki level 2 or another healing modality, or if you are based outside of Singapore and have access to a good Reiki Master who can attune you, and would like to develop your intuitive reading skills to compliment your practice, the audio lessons are also available on their own (if you have taken the level 1 audios).
